Instructions for donating to St. Christopher’s through Give Aloha ONLINE

Go to: https://shop.foodland.com/  Click on “Donate Now.”

Click on the donation amount.

Then click on "Add Notes" underneath the Substitutions box to type in “St. Christopher’s” and our code “78615”.

Your grocery receipt will indicate the organization(s) you donate to and amount.

Please note the following regarding a provisional hold for 10%.

In other words, when you give, say, $249 for St. Christopher's, a pending charge of $273.90 will first appear, but once cleared in your account you will find that your original giving, in this case $249, will be what will actually show on your statement.

Please note that you do NOT pay a service fee for doing Give Aloha online!
